"A comic espionage sequence Woody Allen might have written ... In his confident hands, the drama unfolds at a captivating pace and the dark comedy crackles."

*Darby McGill,
Seattle Fringe Review Rag*

Timothy Mooney is a consummate story-teller."

... a One-Man Comic Sci-Fi Thriller
by Timothy Mooney

In a world where racism has been replaced by numberism, your social security number determines your very existence. One man, on a mission to wipe out the "bloated, bourgeois Fives," finds his entire worldview challenged by a chance encounter in a country diner.
